STRONG • EFFICIENT • VERSATILE

12V / 24V FRIDGE / FREEZER

The smallest of the Bushman range, the ROADIE is your traveling companion of choice. He'll never let you down, working away day and night to keep your things cool while you're out on the road.

Only 380mm high and 220mm wide the ROADIE is a perfect centre console fridge, truck fridge or armrest for back seat passengers. As with all Bushman fridges, the Roadie is made from powder-coated steel for supreme strength and long-term durability.
